Tarkib

is a platform for the research, training, production and presentation of contemporary art dedicated to promoting emerging and mid-career Iraqi artists.

Tarkib
had
been
working
since
2015.

Tarkib is a collective that unit artists from different art disciplines, ages and genders.

Tarkib's mission

Tarkib's mission
Tarkib's mission

is to introduce contemporary art to the Iraqi creative and cultural scene.

Its
vision

is to build up a contemporary identity in Iraq visualized via artistic expression.

Tarkib has a high degree of flexibility in creating its programs and addressing its audience. It is a resource both for the people who make active use of it, and for those who participate in it as visitors.

Tarkib is not working
on a business
or entrepreneurship model.

Our activities are
project-related funded.

BUT FUNDS ARE LIMITED.

Our headquarter
is
Bait Tarkib

to realize our activities
and a place where the
Iraqi youth can develop
skills and knowledge
in a wide range.

To ensure the continuation
of our activities
